Bequest Intention Form

Bequests by generous friends have been a major source of future income for Maine Maritime Academy. While much of Maine Maritime Academy's attention is focused on current issues and needs, the availability of future support by friends assures that Maine Maritime Academy's mission will continue well into the future.

Therefore, we would appreciate it if you would complete this form to assist with our future planning and to appropriately recognize you! It's voluntary, confidential and non-binding, but it helps us get some measure of the support we may count on in the future.
